Friday 15th June	Morning	Triple Science: Physics Paper 2	GCSE	1 hr 45 m
	Morning	Combined Science: Physics Paper 2	GCSE	1 hr 15 m
End of GCSE exams				

Please note:

1. Students will not be taking all of these exams. This is an overview of ALL exams being taken across Year 11. Students will be given a personalised exam timetable in due course.
2. There may be times when a student should be sitting more than one exam at the same time. On these days special arrangements will be made to ensure that one of those exams is sat at a different time that day, or in some circumstances, the next day.
3. There may be a difference in duration of an exam between higher and foundation tiers.
4. Students will be doing either the Triple Science papers OR the Combined Science papers (not both).
5. The 2 day Art exam is yet to be agreed.
