	2pm	Music Technology Practical Assessment <b>Year 11 Option 1 students ONLY!</b>	NCFE	2 hr
<b>End of GCSE exams</b>				

**Please note:**

1. Students must ensure that they are wearing their **Global uniforms and Lanyards** to be able to enter the examination.

2. Students will not be taking all of these exams. This is an overview of ALL exams being taken across Year 11. All Students have been given a personalised exam timetable and should they require an additional copy should speak to their Progress Leader.
3. There may be times when a student should be sitting more than one exam at the same time. On these days special arrangements will be made to ensure that one of those exams is sat at a different time that day, or in some circumstances, the next day.
4. There may be a difference in duration of an exam between higher and foundation tiers.
5. Students will be doing either the Triple Science papers OR the Combined Science papers (not both).
6. The timing for the NCFE Music Technology assessments varies depending on students' class.
