End of exams				

Please note:

1. Students will not be taking all of these exams. This is an overview of ALL exams being taken across Year 12/13. Each student will be given a personalised exam timetable in due course.
2. There may be times when a student should be sitting more than one exam at the same time. On these days special arrangements will be made to ensure that one of those exams is sat at a different time that day, or in some circumstances, the next day.
3. There may be a difference in duration of an exam between higher and foundation tiers in GCSE re-take papers.
