What feedback will students receive?

Students are expected to submit work on Canvas, unless otherwise noted by their teachers. In turn, teachers will provide feedback for submissions within Canvas. Students are also encouraged to contact their teachers by email during school hours for more detailed feedback or to clarify any points raised.

Key Stage 5 students can book 1 to 1 feedback sessions with their relevant Pathway teacher.

Teachers:

The English department will have 3 x live 45-minute classes teaching a week using Microsoft Teams or Zoom and set work for students to complete for that week on Canvas.

These live lessons will follow the student's normal timetable as if they were in school.

Teachers will send an invite their class to join the live MS Teams lesson through the Global Academy Office 365 email.

Teachers will leave feedback on students' work on Canvas.

Students:

Students will check their Global Academy Office 365 email for the MS Teams live lesson link and join the lesson promptly as per their normal school timetable.

Students will complete set work and will submit in the relevant Assignment on Canvas.

Expected timings in the week:

Monday, Tuesday and Wednesday

Follow normal school timetable and as per the student's usual teacher.

Remaining lessons will be set on Canvas and teachers will use time to mark and provide feedback on tasks.

Students' completed work will be submitted on:

The course for this subject on Canvas as per teacher's instruction.

www.globalacademy.com/canvas

Qualification Details:

[AQA GCSE English Language](#)

[AQA GCSE English Literature](#)

*Key Stage 4
Year 10 and 11*

Teachers will:

45-minute classes will be given by their respective teachers online using Microsoft Teams.

Y10 HIGHER CLASSES ONLY

There will be a pre-recorded video of Higher topics to be made available on Canvas to set the focus for each week.

Year 10 Higher Tier - Paul's (PWA) class only:

Day	Time	Activity
Monday	09:00	Pre-recorded overview of the week. Available to be watched on Canvas. Set focus for the week.
Tuesday	11:20	Both Higher groups (AB + CD) in one Teams meeting
Wednesday	09:00	Both Groups AB + CD in one Teams Meeting

Year 10 Foundation Tier - Ismael (ICh) & Jo's (JFi) classes

Day	Time	Activity
Monday	10:00	Ismael class Group AB separately
Monday	10:00	Jo class Group AB separately
Wednesday	10:00	Both Ismael and Jo's classes Group AB+CD in one Teams Meeting together
Friday	09:00	Ismael Group CD separately
Friday	09:00	Jo class Group CD separately

Key Stage 4
Year 10 and 11

Teachers will:

45-minute classes will be given by their respective teachers online using Microsoft Teams.

Y11 HIGHER CLASSES ONLY

There will be a pre-recorded video of Higher topics to be made available on Canvas to set the focus for each week.

Year 11 Higher Tier - Paul's class only:

Day	Time	Activity
Monday	09:00	Pre-recorded overview of the week. Available on Canvas. Set focus for the week.
Tuesday	09:00	Live lesson for demonstration of key idea and drop-in session for extra help
Thursday	10:00	Live lesson for demonstration of key idea and drop-in session for extra help

Year 11 Foundation Tier - Ismael's & Jo's classes separately:

Day	Time	Activity
Tuesday	09:00	Both Ismael's and Jo's Foundation groups in one Teams Meeting together
Thursday	10:00	Both Ismael's and Jo's Foundation groups in one Teams Meeting together

Key Stage 4
 Year 10 and 11

Students:

Students will attend Teams lessons according to the timetable in the previous page. This is largely the same as their normal school timetable.

Students can access supplemental videos/resources on Canvas relevant to topics covered in the virtual lessons.

Students will be expected to use Maths Watch to practice key ideas covered in lessons in their own time, outside of assigned virtual lessons.

Maths Watch <https://vle.mathswatch.co.uk/vle/>

username: first 2 letters of your name and surname @globalacademy
(e.g. ismael chandley ⇨ isch@globalacademy)

password: maths2019 or maths2020

Tassomai <https://www.tassomai.com/>

Canvas <https://www.globalacademy.com/canvas>

Expected timings in the week:

See timetable given in the previous page.

Student's completed work will be submitted on:

Maths Watch and Tassomai for exercises.

Additional work, where given, as per teacher's instructions.

Qualification Details:

[AQA GCSE Mathematics](#)

Key Stage 4
Year 10 and 11

Teachers:

All work will be uploaded to canvas as an assignment, each week.

The weeks work will include power point presentations and worksheets.

There will be 2 virtual lessons a week with your normal classroom teacher which students must attend on time. The lessons will be an hour long each. This will be done on Microsoft Teams and a link will be shared via your office 365 email and added to your calendar. Please follow the link sent to student's email at the given time and join the lesson.

Students:

Students are to read and complete activities on the slides as well as complete all the worksheets and tasks provided on the assignment instructions. Work must be uploaded by the due date on the assignment.

Expected timings in the week:

Teachers Key:

NAA - Nasser Al-Araimy

NKu - Neha Kumar

TAn - Tope Anjorin

Year10

Day	Time	Activity
Monday	10:00	Newton (NAA), Hawking (TAN)
Monday	11:20	Johnson (NAA), Mendel (NKU)
Friday	09:00	Johnson (NAA), Mendel (NKU)
Friday	11:20	Newton (NAA), Hawking (TAN)

Key Stage 4
Year 10 and 11

Day	Time	Activity
Monday	12:20	Franklin (NAa), Darwin (NKu)
Monday	13:50	Curie (TAn), Einstein (NAa)
Tuesday	11:20	Franklin (NAa), Darwin (NKu)
Thursday	11:20	Curie (TAn), Einstein (NAa)

Triple Science

: 1 x 60 minute lesson a week on Thursday 12:20 – 13:20 (NKU)

: 1 x 60 minute lesson a week on Friday 11:20-12:20 (NKU)

Student's completed work will be submitted on:

A word document/ pdf of all your worksheets completed to canvas under the specific assignments/ correct weeks.

Sam.Robertson@globalacademy.com

Eric Villacarlos

Eric.Villacarlos@globalacademy.com

Andy Winter

Andy.Winter@globalacademy.com

Teachers:

Head of KS4 Media (Alice) will record lessons on video upload to Canvas. Accompanying PowerPoints to guide students will also be uploaded in relevant lessons within the Assignments page in Canvas.

One hour a week for 'drop in live' sessions per week for students who want additional help/guidance.

Students:

Watch the recorded lesson 1-3 each week. They will complete the task in their own time.

Attend the drop in live (optional) to ask for clarification or further help.

Complete tasks as per lessons (1-3)- upload all work to Canvas in appropriate assignments.

Expected timings in the week:

Year 10: 'drop in live' Wednesday at 12:20-13:20

Year 11: 'drop in live' Tuesday at 13:50-14:50

Deadlines for tasks: Friday 15:00.

Student's completed work will be submitted on:

On the course for this subject on Canvas as per teacher's instruction.

Key Stage 4
Year 10 and 11

COMPUTER SCIENCE

Teacher:

Eric will have a live 45-minute class teaching a week and set work for students to complete for that week.

Eric will feedback on student's work over at Canvas and OneNote.

Students:

Students will attend a live lesson (1 per Year group) per week and complete set tasks to be made available on Canvas and Microsoft OneNote.

Expected timings in the week:

Students will receive an email to confirm the exact timings but they will either be:

Year 10 live lesson: Thursday 12:20

Year 11 live lesson: Wednesday 09:00

Student's completed work will be submitted on:

On the course for this subject on Canvas as per teacher's instruction.

<https://www.globalacademy.com/canvas>

Qualification Details:

[OCR GCSE Computer Science](#)

Key Stage 4
Year 10 and 11

Teachers:

Year 10

2 x Teams sessions a week (one per class) to support learning

Year 11

2 x Teams session a week (one per group) to support written coursework that counts towards the final GCSE grade. It is very important that you attend the meeting and complete the assessed tasks – this is worth 40% of your GCSE and must be submitted to the exam board at the end of February.

Students:

Attend a weekly Teams lesson and complete follow up activities on Canvas.

Meet with their devising groups, virtually.

Students will then complete Part 1 of coursework using resources posted under assignments on Canvas, during the time they would have a timetabled lesson.

Expected timings in the week:

Year 10: Monday (Option 1) 09:00-10:00; Tuesday (Option 2) 10:00-11:00.

Year 11: Wednesday (Option 1) 09:00-10:00; Thursday (Option 2) 09:00-10:00

Please attend the relevant session for your option (class) group.

Student's completed work will be submitted on:

On the course for this subject on Canvas as per teacher's instruction.

<https://www.globalacademy.com/canvas>

Qualification Details:

[WJEC GCSE Drama](#)

*Key Stage 4
Year 10 and 11*

Teachers:

All work will be uploaded to Canvas as an assignment, each week.

The weekly work will include power point presentations and worksheets.

There will be lessons that cover the content in further detail that is uploaded to Canvas.

During your regular lesson time, you will be expected to attend online lessons with your teachers. This will be done on Microsoft Teams and a link will be shared via your email.

Year 10: 2x live lessons Nasser + 1x live lesson Tope

Year 11: 3x live lessons Tope

Students:

Students are to read and complete activities on the slides as well as complete all the worksheets.

Expected timings in the week:

As per usual normal school timetable (3 lessons a week)

Student's completed work will be submitted on:

The course for this subject on Canvas as per teacher's instruction.

<https://www.globalacademy.com/canvas>

Qualification Details:

[WJEC GCSE Electronics](#)

Key Stage 4
Year 10 and 11

Teachers:

Teachers will create a “Remote Learning” assignment group for the remote learning lessons and tasks.

Year 11 only

Teachers will send students links to live ‘drop-in’ sessions (compulsory for all students) at least 3 days before the session.

Students:

Complete tasks within the “Remote Learning” assignment group.

Y10s will have to join in live ‘drop-in’ sessions on MS Teams on Thursday 13:50 - 14:50

Y11s only will have to join in live ‘drop-in’ sessions on Microsoft Teams once a week on Wednesday P5 (13:50 - 14:50)

Students can contact by email either Sophia or Alice for additional support.

Expected timings in the week:

Friday submissions for weekly tasks. Other set tasks as per instructions on Canvas assignments.

Year 10s only Compulsory live ‘drop-in’ sessions: Thursday 13:50

Year 11s only Compulsory live ‘drop-in’ sessions: Wednesday 13:50

Student’s completed work will be submitted on:

On the course for this subject on Canvas as per teacher’s instruction.
