## Professional Behaviour Policy

### 1.0 The Ethos

Professionals treat each other with respect, work hard for themselves and others to achieve the best they can. They value the fact that everyone has a different background which brings diversity and unique ideas to their work which can enrich those around them.

We are here for one reason - we want everyone at Global to be a success and be the very best we can be. We are all Globalers, because we all belong at this unique Academy, and we are all professionals. Like any professional, this means that we take ownership for the way that we behave towards ourselves and others.

We have high expectations for everyone and we expect everyone to uphold the values of the Global brand. These values include 'Make it simple', 'Bring out the best' and 'Great not just Good'. We expect everyone to work together to create an incredible learning environment that people aspire to work within, both as creative individuals and supportive collaborators. This is down to everyone. To ensure that we can create a positive learning environment, it is important that we focus on demonstrating good learning behaviours and abide by the Global Academy Professional Behaviour Policy. This will lead to successful academic and creative outcomes for all Globalers.

### 2.0 Expectations of Globalers:

**Positive.** All Globalers must bring a positive approach to learning and others. Being positive and ready to learn will bring the best out of you and those around you.

**Respectful.** We expect all Globalers to respect each other. This includes listening to each other and allowing the time for people to express their views, even if they are different to your own.

**Professional.** Being an aspiring professional means acting like one. All Globalers should conduct themselves in an appropriate manner for a place of work. This includes looking after the learning spaces and resources, as well as being present, punctual, working hard and supporting those around you.

**Compassionate.** All Globalers are expected to show compassion and support to their fellow classmates and staff. Everyone has times when they are not feeling their best, even if they appear to be fine. We never know what is happening to someone outside the Academy, so being sensitive to others' feelings is essential to supporting each other.

To ensure that we can create this environment, it is important that we must live by the Global Academy Professional Behaviour Policy.

At Global Academy we understand the importance of positive praise. We reward our students for effort and achievement in all areas. By acknowledging students' achievements on a regular basis, we are able to raise self-esteem, encourage progress and good behaviour. Maintaining that the management of student behaviour is the responsibility of all members of the school community and that this management should be firm, fair, positive, assertive and whenever possible proactive, rather than aggressive and reactive. We value praise over reprimand but recognise the need for the suitable use of both.

PIP and RIP are used throughout the Academy: *Praise in Public; Reprimand in Private*. Staff should try to develop in students a set of values for life, and the courage to live by them, as we are preparing citizens capable of making a valuable contribution to society. All staff are expected to award Achievement Points each day on Arbor. **(APPENDIX G)**

Responsibilities of the Academy, Students and Parents **(APPENDIX E)**

### **3.0 Statement of General Principles**

Global Academy will:

- ensure the whole Academy community support the principles of the Professional Behaviour Policy.
- establish and communicate clear measures to ensure good order, respect and discipline.
- support, praise and, as appropriate, reward students' good behaviour.
- promote positive behaviour through active development of students' social, moral, spiritual, emotional and behavioural skills.
- take all reasonable measures to protect the safety and wellbeing of staff and students, including preventing all forms of bullying and dealing effectively with reports and complaints about bullying.
- ensure the Professional Behaviour Policy does not discriminate against any student on, for example, grounds of race, gender, disability or sexual orientation and that it promotes good relations between different communities.
- apply sanctions fairly, consistently, proportionately and reasonably – considering SEN, disability, the needs of vulnerable children and offering support as appropriate.
- ensure staff are clear about the extent of their disciplinary authority and receive necessary professional development on behaviour strategies.
- ensure staff model good behaviour and never degrade students or colleagues.
- keep parents informed of their child's behaviour – positive, as well as negative; use appropriate methods of engaging them and, where necessary, support them in meeting their parental responsibilities.
- make alternative provision, when needed, for Fixed Period excluded students and, where appropriate, to arrange reintegration interviews with parents at the end of a suspension.
- work with other agencies to promote community cohesion and safety.

Students will:

- follow reasonable instructions by Academy staff, obey Academy rules and accept sanctions in an appropriate way.
- show respect to Academy staff, fellow students, Academy property and the Academy environment.
- never belittle, harm or bully other students or staff.

- co-operate with, report inappropriate behaviour and abide by any arrangements put in place to support their learning behaviour.
- not bring into the Academy inappropriate or unlawful items.
- act as positive ambassadors for the Academy at all times, including when off Academy premises.

Parents/Guardians will:

- respect the Academy's Professional Behaviour Policy and the disciplinary authority of Academy staff.
- work co-operatively to ensure that their child follows reasonable instructions by Academy staff and adhere to Academy rules.
- send their child to the Academy each day punctually, suitably clothed in correct Academy uniform, fed, rested and equipped for learning, ready to achieve their potential.
- ensure Academy staff are aware of their child's specific needs.
- be prepared to work with the Academy to support their child's positive behaviour.
- attend meetings with the Principal or other Academy staff, if requested, to discuss their child's progress.
- adhere to the terms of any parenting contract or order relating to their child's behaviour and well-being.
- ensure if their child is excluded from the Academy, that their child is not found in a public place during Academy hours in the first five days of suspension. Attend a reintegration interview with Academy staff at the end of a period of suspension.

The school's expectations of parents, and its commitment to them, are outlined during enrolment via the Home School Agreement (**APPENDIX E**). All students, parents and carers joining the Academy are required to electronically confirm they agree to the Home School Agreement. This agreement is then to be kept in the student's records. The Academy accepts that the vast majority of parents are supportive of the school's aims and that we are fully dedicated to working in partnership with them.

Where there is a persistent lack of parental co-operation, and this is affecting the child's behaviour, the school will take appropriate action, which may include outside agencies. We will also take suitable action against parents/carers who are unreasonably challenging or aggressive in their conduct towards staff. Students will not be discriminated against because of the actions or behaviour of their parents.

#### **4.0 Pastoral Support**

The Academy pastoral system provides help and advice, both to individuals and to groups, to regulate behaviour. We have an experienced team who lead the form tutors in the day to day pastoral care of our students. The appropriate Head of Key Stage would usually be the first point of contact should a parent wish to raise a concern.

#### **5.0 Recognising Exemplary Professional Behaviour**

It is essential that exemplary professional behaviour is recognised at all times. Recognition of the standards expected will be the most effective way to improve conduct across the Academy. Praise should be used within the classroom to acknowledge individual and group achievement wherever possible. Globalers should also be encouraged to recognise professional behaviour amongst their peers and in turn be praised for doing so. This will help increase levels of positivity within the class, creating a more welcoming environment in which disruption will be minimised and self-regulated by Globalers themselves.

## **6.0 Inclusivity and Non-Discrimination**

Global Academy is committed to ensuring that all Globalers are included and have equal access to opportunities. The behaviour policy is to be applied with consistency, whilst respecting and making any reasonable adjustments for SEND requirements. It is illegal to discriminate against anyone based on their protected characteristics (age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; gender and sexual orientation.) Anyone found to be doing so will be subject to the guidelines stated in the Behaviour Consequence Ladder. **(APPENDIX C)**

## **7.0 Bullying**

Bullying of any form is not tolerated at Global Academy. No one deserves to be bullied and any signs of it will be actively challenged by all staff.

Whilst there is no legal definition of bullying, we consider it to be any form of communication or action which persistently makes others feel uncomfortable, threatened or seeks to undermine them. This can be indirect such as: ignoring a group member or intentionally leaving them out; it can be verbal such as name calling or belittling; it can be physical, such as pushing, kicking or hitting; and it can be cyber-related which includes all areas of internet misuse.

Teachers will be vigilant to bullying inside and outside the classroom and will actively address it to ensure that it is not allowed to continue. They will listen to Globalers who report to being bullied, to claims from parents/guardians, taking seriously their accounts and taking appropriate action to investigate the allegations.

Where bullying is seen, it will be treated as misbehaviour and treated in line with the behaviour policy. This includes Globalers who are complicit, even if not directly involved, and who do not report where they suspect bullying to be taking place. Acts of bullying must be logged on the student's profiles and recorded securely on the CPOMS safeguarding system. For more information, refer to the Safeguarding policy.

Bullying will be prevented by teachers putting collaboration and collective achievement at the heart of Globaler's success. Globalers wanting to succeed at the Global Academy will be required to support each other to complete their projects, as they would in industry. This will quickly identify any non-supportive action to teachers and help Globalers develop an appreciation of the different skills and qualities that individuals provide.

Teachers will create a safe learning environment by praising positive action, whilst quickly addressing and redirecting antagonist behaviours. All teachers will be trained through continued professional development to look out for the signs and symptoms of bullying.

Parents and students must realise that the Academy will take appropriate sanctions against any student who is involved in cyber-bullying or slandering members of the school community on line, including the use of suspensions. Students must also realise that in forwarding messages from others, such as "Re-tweeting" a message or video they are considered, in legal terms, to also be guilty of libel or cyber-bullying.

## **8.0 Social Media Conduct**

If a Globaler reports, or is suspected to be receiving, inappropriate messages or media online, the case should be treated as cyberbullying. If the perpetrator is known to be a student at the Global Academy, messages and media will be treated as if they had been spoken and dealt with using the same sanctions. It is important that messages or media are not deleted and that copies of these are provided to the Head of Key Stage to investigate. If

the perpetrator is not known to the Academy, the parents/ guardians will be contacted and informed of their right to go to the Police in line with the E-safety policy.

### **9.0 Malicious Accusations against Staff/ Defamation**

Allegations made against staff will be investigated fully and fairly according to Academy policy. If the allegations are found to be malicious or intentionally defamatory, the student will be liable to go through the formal professional behaviour procedures at the stage deemed appropriate by the Principal.

### **10.0 Behaviour on Educational Visits**

Whilst on trips organised by the Global Academy, Globalers are expected to meet the same standards of professional behaviour that would be expected when on site. Incidents should be logged on student's profiles and if necessary reported in line with the Behaviour Consequence Ladder. **(APPENDIX C)** If behaviour is deemed to have caused risk to the student or others whilst on the trip, they may be sent home with immediate effect. See the Educational Visits policy for more information.

### **11.0 The objectives of Professional Expectations and Positive Behaviour Management are to: (APPENDIX B)**

- promote self-respect and raise self-esteem
- encourage self-discipline
- promote an atmosphere of mutual respect, courtesy and cooperation
- encourage pride in the Academy and in the community
- establish a clear link between rules and student welfare
- stimulate the interest of young people in their own learning, the achievements of their peers and the success of the Academy
- equip our young people with the understanding and skills needed to participate in our multi-ethnic society.

### **12.0 The Power to Discipline & Support**

All teachers and staff in charge of students have the power to discipline. Section 89 of the Education and Inspection's Act 2006 introduced a statutory power for teachers and certain other staff to discipline students. At the Academy, the following disciplinary measures are operational:

All members of staff, teaching and non-teaching, have the authority to verbally check any student who is breaking an Academy rule. If the incident requires more than a verbal check, a middle leader should be informed in the first instance. If further support is required, a member of SLT can be informed. Sanctions are recorded by teachers and support staff using Arbor.

#### **12.1 Incident Reports outside lesson:**

All significant incidents concerning students should be recorded on Arbor. Tutors and the Pastoral team should be notified. These incident reports are important for our records and monitoring. Please ensure all incidents and actions are recorded correctly.

#### **12.2 Incident Reports inside lesson:**

All significant incidents concerning students should be recorded on Arbor. Heads of Department, Tutors and the Pastoral team should be notified. These incident reports are important for our records and monitoring. Please ensure all incidents and actions are recorded correctly.

### 12.3 Involving parents:

Teachers should inform the Head of Key Stage if they need to formally contact parents or guardians, regarding behaviour for learning matters. The Head of Key Stage may be aware of any issues at home, of which most of us are unaware. Parents and guardians have a right to know early whether or not their child is cooperating at Global Academy. Furthermore, most parents will apply pressure in support of Global Academy which may resolve any on-going lack of attention to work, or other unacceptable behaviour. **(APPENDIX E)**

### 12.4 Detentions:

Detentions may be set by any teacher, usually for offences such as: lateness to lesson, defiance and disruption to learning which directly impedes an individual's learning. Parents will be informed of detentions via Arbor. All detentions will involve a conversation with students and staff where the incident will be discussed. Repeated failure to attend a detention will mean that it is escalated. Detentions can take place during break, lunch or for up to one hour **after** the Academy day has finished. **(APPENDIX C)**

Teachers Detention 30 minutes	Middle Leaders Detention 40 minutes	Senior Leaders Detention 45 minutes (only issued by SLT)
-------------------------------	-------------------------------------	---

### 12.5 Low Alerts - Lesson Removal:

These can be used for **low level disruption**. A teacher, or learning support assistant, can remove a student who is preventing them from teaching and disturbing the learning of other students **after three verbal warnings**. Students who are removed from a lesson will be sent to another classroom within the department or in close proximity for a cooling off period. A **low alert** group email is sent **immediately** to enable the safeguarding of the removed student. The lesson removal alert will be logged and the appropriate Middle Leader and Head of Key Stage to be informed. It is imperative that the subject teacher informs the staff on duty to which classroom the student should be escorted. Middle Leaders must regularly update their Lesson Removal Alert timetable and make it available to all staff. The likely consequence will be a detention.

### 12.6 High Alerts: C3 – C5 incidents

Subject teachers, supply staff and learning support assistants are responsible for following the Behaviour Consequence Ladder consistently and fairly in their lessons. A high alert email must be sent for any student suspected of truanting. Middle Leaders must oversee that appropriate behaviour management methods are being implemented consistently. A **high alert** group email is sent when a student displays a negative behaviour type **(APPENDIX C), after three verbal warnings**. A specified sanction will be issued.

### 12.7 Plagiarism

Plagiarism will not be tolerated in any key stage or in any subject. If there is an incident where a student is suspected of plagiarism, the occurrence will be carefully investigated, and an appropriate sanction may be applied, possibly suspension.

### 12.8 Attitude to Learning (ATL) monitoring:

When poor ATL is displayed by a student on a regular basis, teachers must be report findings via a termly data entry. Cause for concern students' ATL should be recorded during departmental meetings and state which strategies will be applied to support improvements in behaviour for learning. This will be closely monitored by Heads of Departments. **(APPENDIX D)**

## 12.9 Permanent Exclusions and Suspensions:

*Global Academy follows the statutory guidance from the Department for Education: Exclusion from maintained schools, academies and pupil referral units (PRUs) in England.*

[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/921405/20170831\\_Exclusion\\_Stat\\_guidance\\_Web\\_version.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/921405/20170831_Exclusion_Stat_guidance_Web_version.pdf)

Students may be internally excluded and placed in Isolation. In extreme cases a student may be given an Internal or External Suspension by the Principal or the Vice Principal for Behaviour and Safety. The Principal reserves the right to permanently exclude any student if circumstances dictate that it is the most appropriate course of action to take. **(APPENDIX C) and (APPENDIX H)**

Suspensions lasting between 1-5 days are a reaction to more serious concerns about poor behaviour and mean that students will work at home during the period of suspension. The length of the suspension will indicate the nature of the offence and the student's previous record. Parents/carers are required to meet the Vice Principal, or their representative, at some point during the suspension period – before, during or after the completion of this sanction. Due to the serious nature of this sanction, the school will endeavour to not only send a letter home concerning the suspension, but to speak to the parent/carer as well. Suspensions are recorded on a student's personal profile.

Suspensions of over 5 days are a response to occurrences of poor behaviour which are exceptionally serious in nature. From the sixth day of n, the student will continue his/her education at an alternative provision, under supervised conditions. In some cases, the Principal may decide that a suspension is to be permanent.

*For further details of this, and for more information on Exclusions generally, please refer to the Department for Education: Exclusion from maintained schools, academies and pupil referral units (PRUs) in England, available to view online on the school's website*

## 12.10 Managed Moves:

In unification with the parents/carers and receiving school, a Managed Move to another school. There is a procedure to be followed if a Managed Move is to be considered and a student is to be put forward for a panel.

## 13.0 Restorative Methods:

Restorative approaches can be used to create a pleasant learning environment where students are able to self-regulate their own behaviour and learning. Restorative tactics are based on respect, responsibility, repair and reintegration. For example: The Pastoral team can support teaching staff with restorative conversations when a student has frequently demonstrated poor ATL in lessons.

Restorative techniques are also used to enable the offender to rectify the harm that has been done to a 'victim', and allows all parties with a stake in the outcome to partake fully in the procedure. This has been used positively by the Year team or Pastoral team to resolve situations that could otherwise have resulted in suspension or after a suspension period. However, this can only work with the consent of all parties. **(APPENDIX F)**

#### **14.0 Alternative Provision:**

Referrals to alternative provisions will come from the Principal and VP for Behaviour and Safety in consultation with the Head of Key Stage. Referrals will be in instances of the most serious nature and continued poor behaviour over a sustained period of time.

#### **15.0 Regulating students' conduct outside of the Academy premises**

Students' behaviour outside the Academy on school trips, sports fixtures, Global events, Global Academy events, work experience placements, travelling to and from the Academy or Global Headquarters — is subject to the Academy's Professional behaviour and/or E-Safety policy. Poor behaviour and breaches of the Global Academy policies in such circumstances will be dealt with as if it had taken place in the Academy and the suitable sanctions given.

The Academy will act on reports of misconduct which breach the Professional Behaviour and/or E-Safety Policy by any students travelling to and from the Academy and by Key Stage four students whilst wearing the Academy uniform. For behaviour outside school, but not on Academy business, the Principal may take sanctions to a pupil (including suspension) if there is a clear link between that behaviour and preserving good behaviour and discipline among the Global Academy student body as a whole, or if the Principal believes that the wellbeing or safeguarding of the student body may be compromised by a student's behaviour outside of school.

#### **16.0 Gambling**

This is not allowed.

#### **17.0 Drugs**

Disciplinary sanctions will be imposed on Globalers involved in drug-related incidents on the Academy premises or during off-site Academy activities.

The Academy regards the issue of drugs as being extremely serious and is determined to do all in its power to ensure that the Academy is a 'drug-free zone'.

Consequently, students are at risk of being permanently excluded if they are involved in any drug related incidents.

Definition 1: 'Drug related incidents' include:

- Being in possession of any amount of drugs and paraphernalia
- Selling or passing of drugs to others
- Using drugs or under the influence of drugs

Definition 2: Drugs means illegal drugs or controlled drugs

##### **17.1 Prescribed and Non-Prescription Drugs**

Some drugs which are available 'over the counter' to the general public can be harmful if misused, Paracetamol and Aspirin are examples. Students should not carry these into Global Academy. Any misuse of these drugs could lead to permanent exclusion.

## **17.2 Medication**

The Academy regards the carrying, passing on or using of prescription drugs as a very serious matter and this could lead to permanent exclusion. If it is necessary for a student to take medication during the Academy day, the parent/guardian must inform the Academy and bring the labelled medication to the Academy reception. The medication will be placed in lockable storage with the Academy First Aider. The student should report to reception where a First Aider will administer the medication. **Students must never carry a drug, prescribed or other, on their person at Global Academy.**

## **17.3 Alcohol**

All those liquids normally sold in an off-licence or public licensed premises, such as spirits, beers, cider etc. and which cannot legally be sold to anyone under the age of 18 years.

Any student possessing alcohol, selling or passing on alcohol to others or using alcohol may be permanently excluded.

## **17.4 Solvents and Other Substances**

Solvents and a range of substances can be misused and therefore be harmful. Although these may not be “illegal” or “prescribed”, if the Academy has evidence that they are being misused in any way by a student, which could lead to harm to themselves or others, then that student may be permanently excluded.

## **18.0 Confiscation**

The Education and Inspections Act 2006 provides authority for a member of staff to use confiscation as a disciplinary sanction if it is lawful. That includes seizure and also, as appropriate, the retention and disposal of certain items. All staff members have the authority to confiscate mobile phones from students. When a mobile phone has been confiscated it should be taken by the member of staff to the reception where it will be labelled and retained until it is collected.

For the confiscation to be lawful it must be proportionate and in pursuance of a legitimate aim. It would not be appropriate for a member of staff to destroy a mobile phone brought into Global Academy by a student. This would be disproportionate and unlawful. However, if chewing gum or energy drink had been confiscated, disposal of the item is a proportionate response. The general aim of confiscating property is to maintain an environment conducive to learning and to safeguard the rights of other students to be educated.

The staff member has a defence to all proceedings against him or her and is not liable for any damage or loss arising in situations when the confiscation has been lawful.

A separate provision in the Violent Crime Reduction Act 2006 makes it lawful for certain Academy staff to search suspected students for knives or other weapons without consent. The legal power of Academy staff to search students only extends to weapons. If it is felt necessary for a student to be searched for illegal drugs or stolen property that could be done by the Police rather than Academy staff.

A member of staff cannot legitimately search through a phone or access text messages without the student's permission. In some circumstances it may be reasonable for a member of staff to reveal a message for the purpose of establishing whether cyber bullying has occurred. If the student refuses, the member of staff should not enforce the instruction. The member of staff can legitimately issue a disciplinary sanction, however, for failing to follow a reasonable instruction.

At Global Academy staff will confiscate items such as:

- an item posing a threat to good order for learning, for example a student using a personal music player in class or a mobile phone
- an item against Academy uniform rules, for example a student refusing to remove non-uniform items
- items posing a health or safety threat
- items which are opposed to the ethos of the Academy, for example material which might cause tension between one community and another
- items which are illegal for children to have, for example racist or pornographic material.

Smoking under the age of 16 years old is illegal. You must be 18 and over to buy cigarettes in the UK. If you're under 16 the police have the right to confiscate your cigarettes. Any cigarettes and smoking paraphernalia brought into the Academy will be destroyed. There is no acceptable reason why a student under 18 years old should bring a cigarette lighter into Global Academy. Global Academy staff should not smoke with students. **(APPENDIX C)**

### **19.0 Use of Force**

Section 93 of the Education and Inspections Act 2006 enables Academy staff to use such force as is reasonable in the circumstances to prevent a student from doing, or continuing to do, any of the following:

- committing any offence (or, for a student under the age of criminal responsibility, what would be an offence for an older student);
- causing personal injury to, or damage to the property of, any student (including the student themselves); or prejudicing the maintenance of good order and discipline at the Academy or among any students receiving education at the Academy, whether during a teaching session or otherwise

The staff to which this power applies are defined in section 95 of the Act. They are:

- any teacher who works at the Academy
- any other person whom the Principal has authorised to have control or charge of students.

This includes:

- support staff whose job normally includes supervising students such as pastoral staff.
- people to whom the Principal has given temporary authorisation to have control or charge of students, such as paid members of staff whose job does not normally involve supervising students (for example: catering or premises related staff) and unpaid volunteers (for example: parents accompanying students on Academy-organised visits).

The power may be used where the student (including a student from another educational provider) is on Academy premises or elsewhere in the lawful control or charge of the staff member (for example on an Academy visit).

There is no legal definition of when it is reasonable to use force. That will always depend on the precise circumstances of individual cases. To be judged lawful, the force would need to be in proportion to the consequences it is intended to prevent. The degree of force should be the minimum needed to achieve the desired result. Use of force could not be justified to prevent trivial misbehaviour. However, deciding whether misbehaviour is trivial also depends on circumstances. For example, running in a corridor crowded with small children may be dangerous enough not to be regarded as trivial.

**APPENDIX A: Abbreviations**

<b>Key</b>	
<b>Abbreviation</b>	<b>Meaning</b>
ATL	Attitude to Learning
BIP	Behaviour Improvement Plan
CAMHS	Child Adolescence Mental Health Service
CPOMs	Safeguarding & Child Protection Software for Schools
HoD	Head of Department
PEAR	Pupils Educationally At Risk
PIP	Praise in Public
RIP	Reprimand in Private
SEND	Special Educational Needs Disability
SENCo	Special Educational Needs Coordinator
SEMH	Social Emotional Mental Health
SLT	Senior Leadership Team
SMART	Specific, Measurable, Achievable, Realistic and Timed
TAC	Team Around the Child
TAF	Team Around the Family

# PROFESSIONAL EXPECTATIONS:

IN THE ACADEMY WE THANK YOU FOR...

Arriving to class on time, quietly & without fuss

Being equipped for the lesson with your planner

Placing bags under the desk

Sitting in your seat & beginning the starter question

Using appropriate and professional language

Only eating in designated areas

Not chewing gum

Leaving all outer wear in your locker

Using mobile phones when authorised

**96.5%**

Attending the Academy and all lessons

Using headphones when authorised

Showing respect at all times to staff & peers

Treating environments with respect & placing litter in a bin

Treating people how you would like to be treated

**APPENDIX C: BEHAVIOUR CONSEQUENCE LADDER**

LEVEL	During Lessons & Tutorials	Outside Lessons	Likely Outcome	Staff Responsible for Authorising
	<p><b>We thank you for meeting our Professional Expectations</b></p>		Praise Positive Points Communication Home Jack Petchey Award Educational Visits Global HQ Opportunities	<b>All Staff</b>

## **APPENDIX H: Internal Suspension**

### **Consequence Day Procedures**

- Attend school at 8:30am.
- Students may complete a Reflection Sheet.
- All work is to be completed in complete silence.
- Respect will be shown to others and their learning environment at all times.
- No personal electronic devices during lesson time. Devices will be confiscated and returned at appropriate times.
- Full correct uniform is to be worn at all times.
- No chewing gum.
- Toilet breaks will be granted at the discretion of the member of staff, with the hope that students will only go at break and at lunch, although it may be around these times to avoid other students.
- Poor behaviour during the consequence day may result in a suspension with a member of SLT.
- Students who work well will depart at 3:00pm. Students who do not will be kept in detention until 3:30pm.
- If you bring your own lunch and water, the following items are banned: sweets, fizzy or energy drinks.
- If you have not brought lunch, or are entitled to Free School Meals (FSM), a packed lunch will be delivered from the canteen. If you are not a FSM student, your meal will be charged to your account. You will be able to select a sandwich meal.
- If your packed lunch contains an item you are not allowed, it will be confiscated and a packed lunch will be provided by the canteen and charged to your account.
