Weekly Thought

Creativity Never Stops!

Even though we will be on half term holidays for the next 2 weeks, creativity never stops! So use this time to remain as creative as possible, maybe that's filming videos for TikTok, taking photographs for Instagram or even writing a blog. Whatever your passion is, keep the creativity alive.....but do make sure you have some well earned rest, ready for next term as well :)

Well Done...

To all the year 14 students for raising over £400 for 'Make Some Noise'.....amazing efforts and thank you to everyone who donated and supported this brilliant charity event.

Thank you and have a lovely break!
